

Driver's License Tests

Our cost for a driving test is \$85. Tests are conducted in our car unless an interlock car is required. Below are the requirements to be eligible for a drive test.

Must have held permit for one full year or 18 or older

Must bring in a valid permit to test. Paper permits are only valid for 30 days so please make sure they are not expired before you come in test.

Face mask will be required during test

Appointments must be scheduled by calling us at 303-425-0911

Tests in Interlock Vehicles:

All the above rules

Must have cars sanitized

Make sure all brake lights and turn signals are working

Must have a front and back license plates unless the car has temporary registration

No cracks in the windshield that are in the line of vision of the tester or instructor

Current vehicle registration and insurance is required
