

Welcome to 911 Driving School in Westminster! We look forward to working with you! Please read through our policies and do not hesitate to contact us with any questions. Depending on your purchase, not all the policies will be applicable. 303-425-0911

PLEASE CALL TO ARRANGE FOR PAYMENT BEFORE START OF CLASS. You may call and make payment, visit us or go online to your account. If paying by check please let us know and thank you for paying in advance.

The State of Colorado requires all students to Pre-Register prior to beginning a classroom session. Upon registering for a classroom or online program you will receive a link to the DMV to complete this process

Teen Driver's Education Class: Classes start at 8:00 AM and end at 4:00 PM. It is the responsibility of the student/parent to track attendance and contact the office to reschedule missed classes. Students must arrive and sign in by 8:00 AM and should be picked up at 4:00 PM. Completion of this driver education course does not guarantee student will pass the written permit test. Teens must be 14 & 6 months old before beginning the class. Testing is administered after the student's last class and the student has completed their 30 hours. Students must be at least 14 years and 11 months to take the written test.

Lunch: Students receive 30 minutes for lunch, 11:30-12 Noon. Students may bring their lunch or they can go out to nearby location. Food & drink is allowed inside the classroom.

Payment & Fees: Classroom and Permit test is \$225 or The Complete Teen Package is \$550. Payment must be received before starting the class and a \$25.00 fee will be charged for returned checks. No refunds after the 1st class (8 hours) or for failure of the written permit test. Classroom and Online packages are priced the same and there will be a \$25 service fee if you cancel before a classroom has started. There is a \$50 fee to switch from online to classroom.

Behind the Wheel Drives: The 6 hours BTW package is \$440, and the 10 hours BTW is \$675. All drives are conducted in our vehicles. Please arrive 5 minutes in advance and make sure you have your permit or license. You may schedule drives online using the student portal or by calling the office. If payment is due, it must be submitted before a drive can be scheduled. This contract shall extend for 12 months from the date of permit issuance. Unused BTW and Drive Fit hours are non-refundable and non-transferable. Behind the wheel drives should be spaced out over the course of the year that the student holds their permit. Drives must be scheduled in advance and will cannot guarantee to get the student completed if the behind the wheel instruction drives are all held until the end of holding their permit for one full year.

If you cannot attend a scheduled drive, please notify us immediately. If you cancel a drive with less than 24 hours' notice, do not have your permit or do not show up for a drive, there will be a \$25 fee. You will not be able to book another drive until the fee is paid.

Under this agreement an instructor may not provide behind-the-wheel training to more than one individual student per session. We typically offer three 2-hour drives for our teen students but 1-hour drives are available for teens with special circumstances or for adult learners.

Teen Online: A separate link, user name and password will be sent to you after we receive your student's registration. If you register outside of normal business hours the information will be sent the next business day. Once your student has successfully completed the 30-hour online class, and we receive notice of completion, we will then provide the State Certificate of Completion. Students must be 14 & 6 months old to start online classes and when the student is 14 & 11 months or older, they may take the written permit test in our office. A visit to the DMV is still required to obtain the actual permit. Technical assistance for this Online program can be found during normal business hours at Baron Education online support 720-544-3462.

Driver's License Road Test: In order for teens (under age 18) to take the Driver's License test, they must hold their permit for 12 months, log 50 hours (40 day & 10 night) driving with a parent and (if under 16 years & 6 months old) complete 6 hours of BTW training with an instructor. Driver's license road tests are typically conducted in your vehicle but our vehicle can be used if circumstances require. The cost for the drive test is \$60 for students that have completed 6 hours BTW training at 911 Driving School. Proof of current registration and insurance on the vehicle are required and the vehicle must meet basic safety standards. There are no refunds for a failed test and there is a \$25 re-test fee. Re-tests cannot be done on the same day.

A trip to the Department of Motor Vehicles is still required before obtaining a permit or a driver's license; and DMV fees will apply. All the necessary documents for the DMV are listed in the Pre-Registration form or in the Colorado Driver Handbook. This agreement constitutes the entire contract between the school and the student, and any verbal assurances or promises not contained herein are not binding on either the school or the student. 911 Driving School 303-425-0911
