Students can be dismissed without refund from the course for misbehavior, cheating, excessive tardiness without excuse, cell phone use during class time, misuse or abuse of equipment, willful violation of traffic laws, being under the influence of drugs or alcohol, and failure to schedule drives.

Organ Donor Program: Washington State requires our course to include information regarding the organ donation program. This portion of the course is optional.

Inclement Weather: We reserve the right to cancel class or scheduled drive lessons due to inclement weather. If the public schools are closed, we will likely cancel classroom and behind the wheel lessons.

Parent/Student/Instructor Partnership: **Parent involvement is critical for the student's success.** Students should **practice the behind the wheel skills** we are teaching in order to progress forward to the next lesson. If a student is unable to perform the behind the wheel skills being taught, an extra drive lesson may be needed (see the Fees section of this agreement, above). Please note: the state of Washington requires each student to have at least 50 hours of guided practice, of which at least 10 hours must be at night, in order to qualify for a driver's license.

Parent/Student Responsibility: Knowing and tracking their individual attendance, deadlines, absences, and course progression, especially the behind the wheel lessons. **IT IS CRITICALLY IMPORTANT FOR THE STUDENTS TO OBTAIN PRACTICE TIME BETWEEN THEIR COURSE DRIVES WITH US!**

Course Cancellation: We reserve the right to reschedule or cancel a course at our discretion due to low enrollment. We will make every effort to ensure this does not happen. In the event of a course being rescheduled or canceled we will notify our customers.
